Dear Friend:

On behalf of the clients, volunteers and staff of the Calgary Inter-Faith Food Bank Society, please accept our sincere thanks and appreciation for your participation in the CBC Calgary Holiday Food Drive. To date this activity has raised \$934,279, and has brought in 7,737 pounds of food and \$983 of receipted food and has generated purchases of \$17,430. This activity is part of the CBC Calgary Suncor Food Bank Drive which has raised \$1,876,884 in food and funds.

Here at the food bank, we witness the incredible challenges many people face at some point in time in their lives. Some tell us their stories. The following came from a donor named Lisa. It is our hope her words can better speak to what your support means. "I had been without food for two weeks. All I had was a bag of frozen vegetables. Finally, I got the courage to ask for help."

Lisa also told us: I waited longer than I should have. My stomach hurt so much. I didn't know hunger could get that extreme. When I got to my apartment with the food, it was like opening Christmas presents. I sat on the floor and put everything around me, tears running down my face. It was a moment I will never forget. I looked at the food for a very long time.

It sounds silly, since I was starving, but the best part was a Valentine chocolate and some frozen cookies. It made me feel like I mattered, like I wasn't less for needing food. I didn't know it would affect me that much, but I took a picture of that Valentine chocolate and treated myself to a bit of it daily. I think I still have the picture.

What Lisa demonstrates is that life events are not permanent. With your support, we help keep people strong and work to prevent, as far as possible, a spiral into chronic difficulties and poverty. Your example inspires those you support to find their path and to support others who are experiencing difficulty. On behalf of Lisa, thank you for what you do.
